## **THE FINE PRINT**

The Princeton Family YMCA has endeavored to correctly list and describe items and services for bid, but everything is sold "as is." ALL SALES ARE FINAL. There will be no exchanges or refunds. The success of the auction depends on the goodwill of donors. Purchasers are bound to the precise restrictions specified by donors. Please do not ask donors for exchanges or for alteration of the terms of the donation. All purchases are subject to the limitations detailed in the printed descriptions. In some instances, additional arrangements are to be made with the individual donor.

Please respect the times stipulated by the donor, and contact the donor within the time specified to agree upon the date and/or time to enjoy what you have won. YMCA does not warrant merchantability, or against defect, workmanship, or fitness for a particular purpose or capacity.

By his or her purchase, the buyer waives any claim against or liability of the YMCA, its staff and volunteers, and the donor of the merchandise, property, or services. Neither YMCA staff and volunteers, nor the donor is responsible for personal injuries or damages that may result from the use of merchandise, property, or services sold. ## **TAX FACTS - IMPORTANT INFORMATION FOR OUR GUESTS**

Federal income tax laws and regulations impose important requirements concerning the documentation you must have in order to substantiate the deductibility of certain charitable contributions. The highest/winning bidders will receive a receipt that will list both the estimated fair market value of each item purchased (if known) and the amount paid for each item. Please save the receipt for your records in order to substantiate any income tax deductions you may take as a result of your auction purchases.

We have done our best to make a good faith estimate of the fair market value of each item in the auction as required by the IRS. Item values represent the donor's estimates and are not warranted for tax purposes or for general value. Normally, auction purchases are tax-deductible only to the extent that the amount paid for an item exceeds the fair market value of that item.

We encourage you to consult your tax advisor for additional information.
