Fencing Spring 2012

Instructor: Charles Hurley & Maestro Lucchetti

All classes ages: 10 to adult

Dates: 3/19/2012 – 6/16/2012

12 and 13 Weeks

With the number of students going on to High School fencing teams and fencers getting ready for USFA (United States Fencing Association) competitions, students whose goal is to be competitive will require more than one lesson per week. This new schedule and the number of classes offered will allow students to achieve this goal. Those students wishing to take additional classes during the session may take the next level higher for their second class. Example: Students choosing Intermediate Foil 1 may take an Intermediate Foil 2 class as their additional class for that session, those taking #2 may take a #3 class in addition and so on. If there are any questions on this system please contact Instructor Charles Hurley at Thurley107@aol.com or www.phyfencing.com

Please note: With the exception of Beginner Students, all fencers are encouraged to have electrical fencing equipment for class fencing. This improves the overall learning experience.

Preferred pricing will be offered on **Multiple** classes:

First Class = regular price

Second class in same session = 15% off

Each additional class = 20% off each

Electric fencing on Saturday night will still be 50% off if taken with a lesson class.
