

PRINCETON FAMILY YMCA

**AM DROP OFF
AT THE GYM
(36 HIBBEN RD)**

**PM PICK UP
AT YMCA**

IMPORTANT INFORMATION

- Children will be dropped off directly in front of Whiteley Gym at a spot on Hibben Road.
- There will be NO parent parking available. We will be using the Kiss-&-Go Method. Parents will not be allowed to park at any time.
- For a smoother and less congested flow, we ask that parents enter Hibben Road via Rt-206. To return to Rt-206, after child drop off, turn left to proceed past the grass GAME FIELD and dorms as indicated on the map to your left. Unfortunately you cannot turn left after the field to return to Route 206 as that is a One-Way street.
- We do highly encourage you to enter from Rt-206, drop off your children, and continue down to Mercer Street at the bottom of Hibben for the **safest and most efficient** drop off method.
- There are absolutely NO U-TURNS allowed on Hibben Road.
- Afternoon pickup will be at the YMCA under the large white tent near the playground.
- Children will walk to the YMCA in the afternoon for swimming.
 - Children will be closely lead and followed by all counselors at all times. Safety is top priority!
 - From the Gym, campers and counselors will walk to Library Place and turn left toward Hodge Road. They will follow Hodge Road until they reach the YMCA.
 - If for some reason weather prohibits walking to the YMCA, parents will be contacted appropriately.
