

Princeton Family YMCA

Parking Lot Traffic Flow

In an effort to provide additional safety measures and for the protection of our summer camp and preschool participants, beginning June 21, all members and visitors will be required to abide by the following parking/traffic rules:

* When entering the on the main driveway all vehicle traffic must **stay to the right - left turns will be prohibited.**

* Upper Parking Lot – **closed to parking from 6:00AM- 9:00AM and 3:30PM-6:00PM, Mon-Fri.** During these times the upper lot will only be open for dropping off and picking up children in child-care programs. All members who usually park in the upper lot during the week during these blocked off hours are asked to park in the lower lot for the summer months. **Handicapped parking will remain open and accessible.**
