

# PRINCETON FAMILY YMCA - EVENT PARKING LOT INFORMATION

## EFFECTIVE FRIDAY OCTOBER 29, 2010 FROM 1:30pm-10:30pm ONLY.

In an effort to provide additional safety measures on the YM/YW property during the YMCA's Halloween at the Y event and for the protection of all participants and members, we have decided to re-configure the traffic pattern for **FRIDAY OCTOBER 29, 2010**. All members and visitors will be required to abide by the following parking/traffic rules from 1:30pm-10:30pm this coming Friday only.

\* When entering the on the main driveway all vehicle traffic must stay to the right - left turns will be prohibited. Even if just dropping off, you must turn right.

\* Upper Parking Lot - closed to all traffic from 1:30PM - 10:30PM. During the evening hours child-care pickup, we ask for your to park your car in the lower lot and walk to pick-up all children. All members and program drop off, usually done in the upper lot on Fridays will be prohibited from entering the upper lot. **All handicapped parking will remain open and accessible.**

We apologize if this causes an inconvenience, but we must provide a safe and orderly space for our families, members, and young children without having overcrowding and traffic congestion in this small parking area.
